## Start Sc. 1

141 INT. HOSPITAL ROOM - DAY

141

Anne watches:

A LAB TECH gives David a SONOGRAM.

Jacob enters now WITH THE FRUIT BOX; he wasn't able to find a  
spot. Monica seems annoyed with him.

Jacob gives David a small, encouraging smile.

The sonogram shows a colorful image of spraying blood between  
the ventricle wall.

Jacob studies the screen, he watches the image of blood.

ANNE  
Is it bad?

LAB TECH  
Doctor will have to tell you.  
(to David)  
She a good big sister?

DAVID  
Yes.

LAB TECH  
He a good little brother?

ANNE  
Yes.

LAB TECH  
Heheh. ...Alright buddy, you can  
sit up, get dressed, wait in the  
waiting room. How's that sound?

ANNE  
Good. Thank you.

He chuckles.

LAB TECH  
A good big sister.
